Membership – John Wilhelm asked to be relieved from the ZBA. He thought he'd be able to assist but his business is going gang busters. His request was grated. Discussion was held regarding a replacement for his term and Frank Kastelic was brought up. **M/S Mel/Mark** to ask Frank Kastelic if he would be willing to come back as an alternate and if so, to present his name to the Board of Commissioners for approval, passed.

Zoning Administrators Report

Training – The Zoning Permit, process and requirements. The current zoning application was reviewed and discussion ensued. High points of the discussion were 18.7.1 Authority, ownership and signing of permits. Ann will talk with Chuck about the details.

Public Comment -- none

Around the table – Marty said he'd begin a flier that could be sent out with tax bills or maybe the Board of Review information helping to spread the word that we are a zoned community. Mark suggested bringing Eagle Harbor in as well.

Steve spoke to the Public Hearing on the Campground at Black Bear. It was approved with the condition facilities be within a reasonable distance.

Next Meeting on the schedule is April 9th at 5:00 PM.

M/S Marty Mel to Adjourn at 6:20.
