Section 7.9 ACCESSORY USES AND STRUCTURES

7.9.5 Open Storage:

- A. Major recreational equipment such as utility trailers, boat trailers, boats, recreational vehicles and similar major recreational equipment may be stored in the open on any lot having a principle structure subject to the following:
 - a. Dead storage only is allowable and no connection to any permanent power, water or sewer facilities is allowed.
 - b. Such equipment shall not be used for human occupancy nor used as business, recreational or housekeeping purposes.
 - c. Such equipment must be in usable and in safe condition for use except for periods when necessary repairs or alterations are being conducted.
 - d. Said equipment shall be stored in the side or rear yard provided accessory building setbacks are met, unless it is stored in an existing garage or carport.
 - e. No such equipment shall be parked or stored in such manner or in such location in the lot or parcel as to create a dangerous or unsafe condition.
- B. Major recreational equipment such as utility trailers, boat trailers, boats, recreational vehicles and similar major recreational equipment may be stored in the open on any lot in AG, ED and TR which does not have a principle structure subject to the following:
 - a. Only one (1) recreational vehicle may be stored on parcels up to five (5) acres.
 - b. A maximum of four (4) recreational vehicles may be stored on parcels larger than five (5) acres.

Section 7.13 RECREATIONAL VEHICLES

See Section 2.3 for the definition of Recreational Vehicles.

Except for Recreational Vehicles in bona vide campgrounds the following shall apply:

All recreational vehicles must obtain an approved Recreational Vehicle Permit, adhere to all the required setbacks and comply with all health department requirements regarding safe handling of potable water and sewage.

In Residential Districts, only one recreational vehicle is allowed on any parcel. A recreational vehicle is not allowed to occupy any parcel for more than 90 days in a calendar year without an "Intent to Build" permit. On parcels two (2) acres or larger a recreational vehicle may remain longer than 90 days with a valid special use permit. (See section 10.12.28)

In Agriculture, Extraction and Timber Resource Districts, only one (1) recreational vehicle is allowed to occupy parcels of five (5) acres, no more than two (2) recreational vehicles are allowed to occupy parcels larger than five (5) acres

Intent to Build: The Zoning Administrator may issue Intent to Build Permit to a parcel owner who requests to use a recreational vehicle for temporary dwelling purposes, subject to conformance with the following standards:

1. The purpose of the temporary housing is to provide on-site housing for residents of the lot while a new dwelling unit is being constructed.
2. The permit is for a period not longer than one (1) year based on evidence presented by the applicant that he/she has a construction plan including WUPDHD approved well, sewage and utilities. The construction plan shall include the foundation and complete building framing within a specified period of time. This permit is valid for one year and may be extended by the Zoning Administrator when the following standards are met:
 - a) A good faith effort has been shown;
 - b) The time extension is reasonably necessary considering the practical difficulties associated with actual construction;
 - c) Occupancy of the structure being rebuilt is reasonably possible within the time extension;
 - d) Granting of the time extension to the applicant and other similarly situated parties will not prohibit enforcement of any provisions of this Ordinance, unduly overburden administration and enforcement resources, or adversely affect general health, welfare and safety of adjacent properties or the general community.
3. The lot or parcel is located in any residential district;
4. A performance guarantee pursuant to Section 18.13 is collected and said RV is removed or placed in storage within fifteen (15) days after an occupancy permit is issued.
5. The following additional approvals are obtained:
 - a) Any applicable permits from the Building Inspector
 - b) Approval of a septic system and well from the District Health Department
 - c) A driveway permit from the County Road Commission or Michigan Department of Transportation, as applicable.

Section 7.15 TEMPORARY BUILDINGS AND STRUCTURES

7.15.1 General: Temporary buildings, structures, and uses are permitted in all districts only under the following conditions:

- A. Temporary Dwellings: Accessory Structures, Tents, Yurts and Travel Trailers. Except for tents and recreational vehicles in bona fide campgrounds, no structure shall be used for dwelling purposes that does not meet the minimum standards for a dwelling unit as defined in this Ordinance and the State Construction

Code Act, Public Act 230 of 1972, with amendments. This means that no garage or other accessory building, cellar, basement, camp or partial structure, whether of a fixed or portable construction, nor any tent, yurts, travel trailer, recreational vehicle, trailer coach, mobile home, or other structure not in compliance with P.A. 230 of 1972, or the previous sentence, shall be erected or moved onto a lot for more than ninety (90) days in one year, unless authorized by the Zoning Administrator by the issuance of a Temporary Zoning Permit as provided for in Section 18.9, or by means of a Special Land Use Permit pursuant to Article X,

A temporary yurt is only allowed on a minimum lot of 10 acres in the TR district.

Section 10.12 STANDARDS FOR SPECIAL LAND USES AND CONDITIONAL USES

Section 10.12.19 Hunting Camps:

A hunting camp is permitted as an RC use in an AG or TR district, provided:

- a. The parcel on which the camp is located is at least ten acres in size.
- b. Potable water must be obtained from a WUPHD approved potable water supply.
- c. There is a waste disposal system that has been inspected and approved by the Western Upper Peninsula District Health Department.

Section 10.12.24 Organized Camps:

Organized Camps are permitted as an RC use in AG, RR, RS-2 and TR, provided:

- a. The parcel on which the camp is located is at least ten acres in size.
- b. There is a pressurized water supply.
- c. There is a waste disposal system that has been inspected and approved by the District Health Department.

Section 10.12.28 RV's in Residential Districts

RV's are allowed by Special Use in CE, R-1, R-2, RR, RS-1, and RS-2 when in conformance with the following requirements:

- A. Residential lot size must be at least two (2) acres.
- B. Shall be harmonious with the character of adjacent properties and the surrounding area.
- C. Shall not change the essential character of the surrounding area.
- D. Must have Western Upper Peninsula Health Department approved potable water and sewer permit or other documentation proving compliance.

Special use permits granted by the County Board of Commissioners under this Section are exclusive to the approved applicant and the approved RV and are not transferable. This special use designation does not run with the land and is only valid for three (3) years. Violation of any portion of this ordinance shall automatically revoke this special use designation.

Conditions upon approval:

- A. The Recreational Vehicle (RV) is not a permanent or primary structure.
- B. The RV must be removed upon expiration of the special use permit or transfer of ownership of the property.
- C. The placement of the RV on the parcel must meet all setbacks required in Table 5-1.
